Terms and conditions of the Reactile subscription to the personal use licence agreement.

The Reactile software includes the source code, library and documentation, sample programs (hereinafter the 'Software')

- Is conceded in the form of an annual or monthly subscription,
- IMPLEX SASU's final, non-transferable user licence
- For personal use only in accordance with the terms of this Licence.
IMPLEX SASU reserves all ownership rights not expressly granted to you. You install the downloaded media on which the Software is installed on your private workstation, but of which IMPLEX SASU retains ownership.

1. SUBSCRIPTION AND RENEWAL.

Subscribing online at www.reactile.net either on a monthly basis or for twelve months, for non-professional users, entitles you to:
- - Contractual responsiveness from the support team
- - Technical support via @mail: support.reactile@implex.fr
- - In the event of an incident or the reproduction of a bug, a corrective patch will be delivered
- - A new version of the product if it is released during the contracted subscription period: with all patches and any improvements.
- - An automatic renewal of the subscription
- - If the subscription renewal is stopped, if the customer wishes to take up the subscription again, they will have to pay for the subscription to be taken up again at the current price.

2. PERSONAL USE LICENCE

With a subscription, IMPLEX SASU grants you an end-user licence which allows you to use a single copy of the Software for personal, non-professional use.

For personal use, you can only take out one subscription.

A licence key corresponds to a single copy of the Software. You must pay an annual or monthly subscription fee to use the Software. This subscription must be renewed according to the expiry date of your contracted subscription.

Your single licence key entitles you to use the Software for development purposes. The same licence key entitles you to an unlimited number of deployments on the express condition that these are for non-commercial purposes only.

For your commercial deployments, you need to take out an Enterprise subscription entitling you to a deployment key for each domain name.

Under the terms of the subscription to this licence, you may:
1.1 Make an unlimited number of copies with any modifications whatsoever, provided that such copies are for internal use only and are not distributed or republished on a professional basis, from this computer.
1.2 Use and modify the Examples, provided that you do not distribute or republish the Examples, or any modified version of the Examples in the source code form.
1.3 Redistribute the software files with your personally developed, non-commercial products.

The Software is 'in use' when you develop source code dependent on the Software and link your projects to the libraries (original or modified).

3. EXCLUSIONS.

You should not:

3.1 Market and sell your Reactile developments to a third party on a personal basis or to a company with a personal subscription. In this case of need to market your Reactile developments; you must ask your professional customer to contract a Reactile Entreprise subscription to work with him.
3.2. Distribute or publish any part of the Software (original or modified) unless you have received written authorisation from IMPLEX SASU.
3.3. Redistribute the Software as part of a software development library without the written permission of IMPLEX SASU.
3.4. Do not pass on to anyone your annual user subscription number that you have received from IMPLEX SASU.
3.5.   Do not use your development licence subscription key for commercial deployments.

4. DELIVERY Reactile personal subscription

IMPLEX provides the following elements:

A package available on npm.js under the @implex/reactile identifier that can be installed on the command line, along with all the related documentation.

5. COPYRIGHT PROTECTION.
